

Make It Sweet.

Dear Valued Customers –

We are very pleased to announce that an exciting new chapter is about to unfold for Make It Sweet as our ownership is being transitioned to Over the Top Cake Supplies (OTT), a retail subsidiary of Johnson Bros. Bakery Supply, Inc. (JBBS). JBBS was founded in 1994 with a commitment to provide quality baking supplies at a fair price. Their headquarters is in San Antonio with additional offices in Carrollton and a distribution center in Houston. They are the premier supplier in Texas, Oklahoma and

Arkansas serving the baking and craft beer industries. JBBS started Over the Top Cake Supplies in 2013 and currently have two locations in San Antonio and one licensee in the Woodlands. Make It Sweet has been a cornerstone for providing cake, cookie, and candy enthusiasts in the greater Austin area with tools, supplies, ingredients, and classes since 1975. We have owned Make It Sweet (originally All in One and then All in One Bake Shop) since 2002 and have seen much growth over the years due to the support of our customers and the hard work of our amazing staff. We are thrilled about the opportunities for the future with this acquisition. JBBS and OTT are family owned and operated businesses and their commitment to providing high-quality bakery supplies and exceptional customer service and experiences align perfectly with the values and mission that Make It Sweet has upheld since its inception.

As part of this transition, all existing employees of Make It Sweet will be retained, ensuring a seamless experience for our loyal customer base. The expertise and passion of our team will remain intact and we are confident that with the support of Over the Top, the level of service and product range will only improve.

Over the Top, with its extensive network and resources, will bring a fresh perspective to Make It Sweet. Their commitment to innovation, customer satisfaction, and industry expertise will undoubtedly elevate the store's offerings and make it an even more enticing destination for baking enthusiasts.

We want to express our sincere gratitude to our customers, employees, and partners who have supported Make It Sweet over the years. Your loyalty and dedication have been instrumental in making the store what it is today and we are excited to see how this new venture will unfold.

The transition of ownership will take place during September, at which point Make It Sweet will officially become Over the Top Cake Supplies. During this transition period, we assure you that our focus will remain on providing you with the same exceptional service and high-quality products you have come to expect from us. We will be closed starting Saturday, September 2nd and will re-open with a refreshed look and exciting new products on Thursday, September 7th. The hours of operation will stay the same – 10 am to 6 pm, Monday, Tuesday, Wednesday, Friday and Saturday, 10 am to 7 pm on Thursday and closed on Sunday. A new class schedule will be published soon for classes starting towards the end of September. Come in soon and continue coming back regularly to see and shop from the expanded product offerings.

We are committed to making this transition as smooth as possible. We will be directly involved throughout the month of September working with our staff, the new owners and their team, suppliers, and our customers. After that time, we will continue to support OTT providing our experience and expertise as needed. Randy is looking forward to moving on to an accounting position and Jennifer is excited about being able to focus on continuing and expanding Jennifer B's Dessert of the Month Club.

Thank you once again for your continued support. We look forward to the exciting journey ahead with Over the Top Cake Supplies and we are confident that this is the beginning of an era of many new sweet possibilities.
